Medfield																											

Note: Scoring for each event is calculated by giving the top team 17 points, then the next team 16 points, and so on.  
 No team who participates in an event will receive less than 1 point. Therefore places 18 to 32 will all receive 1 point.  
 Ties receive the same point for the higher place and the next rank is skipped. For example, if two teams tie for second place, they would each receive 16 points. (No team would get 15 points) The next team would receive 14 points for fourth place.
