Note: Scoring for each event is calculated by giving the top team 19 points, then the next team 18 points, and so on. No team that participates in an event will receive less than 1 point. However, teams that do not participate in an event receive "0". Therefore, places 19 to 35 will all receive 1 point. Ties receive the average points for the total number of spots so that the total points given for each event does not change. For example, if two teams tie for third place, they would each receive 16.5 points. (The average of 17 and 16 for 3rd and 4th places) The next team would receive 15 points for fifth place.
