Littleton HS			1		1										1			1																4	29							

Note: Scoring for each event is calculated by giving the top team 16 points, then the next team 15 points, and so on. No team who participates in an event will receive less than 1 point. Therefore places 16 to 29 will all receive 1 point. Ties receive the average points for the total number of spots so that the total points given for each event does not change. For example, if two teams tie for second place, they would each receive 14.5 points. (The average of 15 and 14 for 2nd and 3rd places) The next team would receive 13 points for **fourth** place.
